CRG Re-Formatter

Quickly & Easily Reformat your Dynamics GP Account Framework

Developed to meet the needs of Dynamics GP users, **CRG Re-Formatter**™ is the only tool currently available to help companies quickly & easily modify the account framework of Microsoft® Dynamics GP™.

Re-Formatter seamlessly reformats the Account Framework instantaneously altering the format of all data.

Re-Formatter allows you to change:

- Maximum account length
- Segment size
- Number of segments
- Sorting options

CRG Re-Formatter:

- Maintains the integrity of financial systems during periods of organizational restructuring and growth.
- Modifies the account structure to enhance reporting requirements and improve data output

Fast and Effective:

With a few simple steps, Microsoft Dynamics GP users can transform their "old" data format into a "new" and improved account framework
