Proven Solutions for Effective CPM, Budgeting & BI

CRGroup partners with leading CPM, BI, and budgeting solutions to deliver the right system to support your financial efforts. We work with you to define your needs and recommend the best possible solution to suit your unique requirements, technical requests, and budget. Explore these proven solutions to support your organization's business objectives:

## BOARD™
Complete & Affordable CPM & BI

Trusted by over 3,000 organizations worldwide, **BOARD** is the #1 decision making platform available offering flexible and easy-to-use software for business intelligence, corporate performance management, and advanced analytics. **crgroup.com/BOARD**

Adaptive Insights™
Better Business Decisions in Less Time

Cloud-based planning, forecasting, reporting and analysis. Accessible from anywhere, **Adaptive Insights** helps maximize your visibility into plans, forecasts, revenue, expenses and headcount to become agile, responsive and reliable. **crgroup.com/Adaptive-Insights**

Tableau™
Create and Share Data Insights Across Your Company in Minutes

Global leader in rapid-fire business intelligence software. **Tableau** lets you graphically analyze virtually any structured data to produce beautiful charts, graphs, dashboards and reports within minutes. Data visualization & analytics at your fingertips. **crgroup.com/tableau**

Microsoft Power BI™
Turn Your Company's Data into Insight

Easy-to-use, cloud-based analytics solution that allows companies to quickly create dashboards & share reports while directly connecting to data from a variety of sources. **Power BI** empowers users to interact with data in real time and on any device. **crgroup.com/Power-BI**

CRG Cost Allocator™ & CRG FlexABM™
Understand the True Profitability of Your Organization

Developed using our 27+ years of financial management expertise, **CRG Cost Allocator** and **CRG Flex ABM** deliver complete and affordable multi-level cost allocation, and enterprise wide activity based costing and modeling to evaluate business processes.
