Welcome to CRGroup
Connections 2018!

Intro to Microsoft Teams

Presenter: Elizabeth Brown

CRGroup
Connections

Agenda:

Learn how your organization can leverage Microsoft Teams as part of Office 365 to increase productivity!

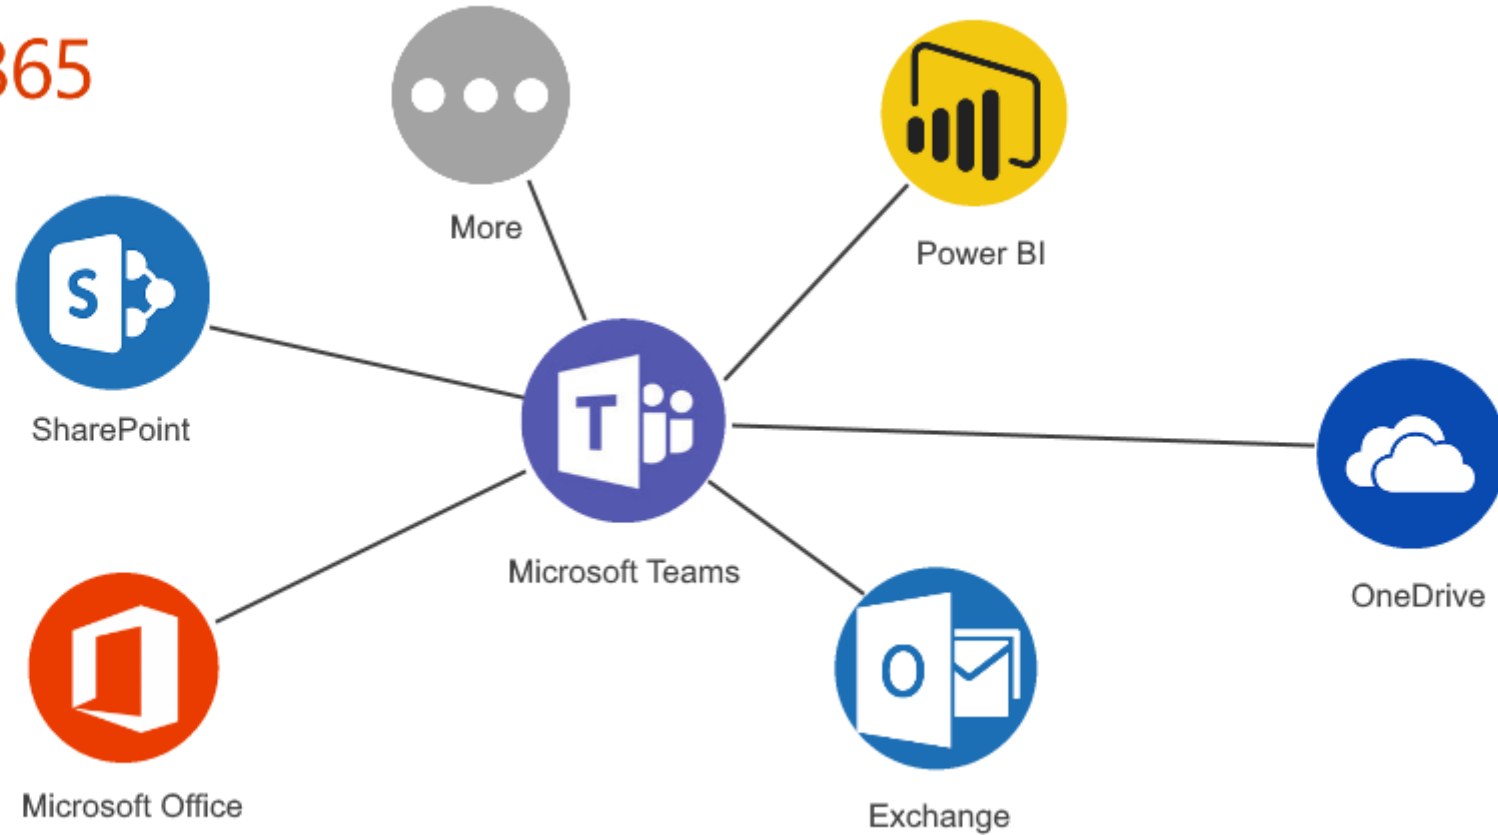

- What is Microsoft Teams?
- Demonstration of how Microsoft Teams can be used to increase productivity

Please feel free to ask questions through out the presentation.

What is Microsoft Teams?

Office 365

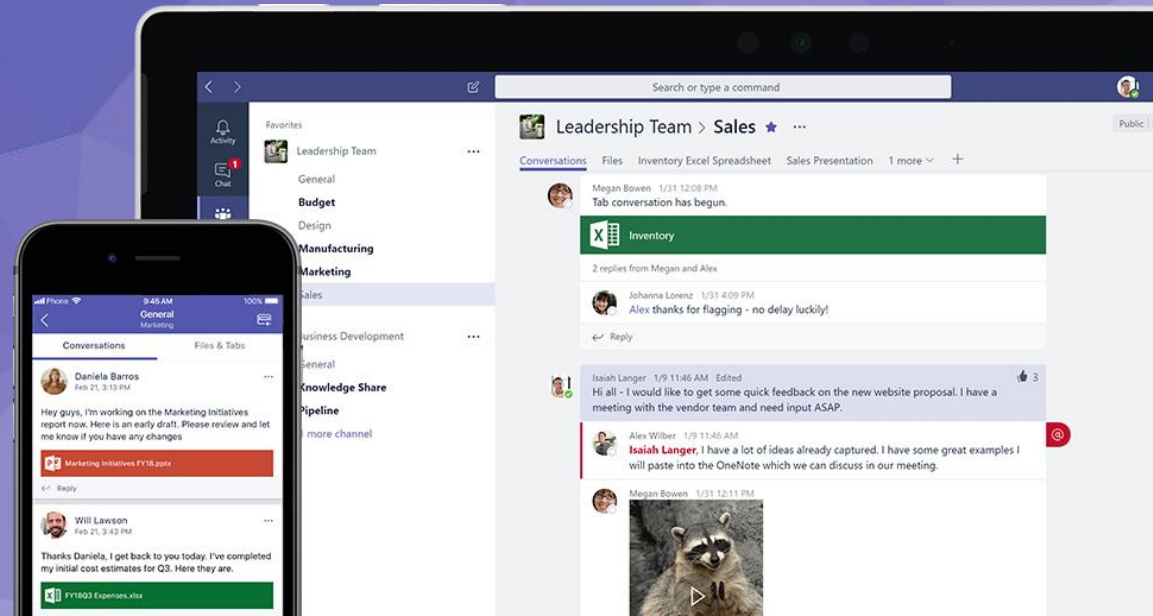

Microsoft Teams is

- The hub for teamwork in Office 365
- Designed to increase productivity by providing an interface to interact with team members via chat or online meetings plus central access to team files and other applications.
- The fastest growing Office 365 application
- Will replace Skype for Business Online
